

What Does it Take to be a Table Captain?

- Table Captains are **Ambassadors** for WHP.....you just have to believe in our mission and success.
- Table Captains personally invite guests to the Luncheon to learn about WHP.
- **No Charge** to you or your guests.
- The **One Hour** program will dazzle and educate all guests about WHP and our families.
- Donations will be solicited at the end of the program by the speaker. You do not ask for donations.
- There is **NO Minimum or Maximum**....Just for reference about 50% of the guests contribute. It is fine for people not to give at all.
- We will have a Table Captain's training in February to provide you details on timing, inviting, and all the tools you need to succeed.

Who should you invite????

Anyone that would like to know more about WHP....we promise an impactful program!

Think of neighbors, fellow church members, work associates, book club friends, past and current supporters, those who support similar organizations, etc.

Think of those you know interested in children, families, parents, education, poverty.

Start your list now.....keep a running list as you see people each day.

It is a gift to share with your friends & family the great work WHP does in our community. People are generous and are always looking for a way to support worthy efforts.

In a nutshell, Table Captains:

- Attend Table Captain training for details (Thursday, February 18th @ 6:30pm)
- Personally invite 12-13 people to their table (sits 10)
- Mail invitations to confirmed guests (provided)
- Provide guests' names/contact info to WHP
